# Expenditure Enquiry Report Cognos GM: Expenditure Enquiry Report

## Purpose
Display a line by line detailed view of Grants transactions for Actual Expenditure, Open Commitments or both

## To access
Navigate to **Team content >Live > (your) school > Departmental (Shared) Reports** folder

## Intended audience
Departments, schools, Central Finance and the Research Office. It uses the standard security model, restricting returned information to only the Projects and Awards the user has been granted access to

## Report format
The default format for this report is set to **PDF**, but can provide output in all standard formats (including Excel and HTML). To select a different report format, or to save or email the report, use the ellipses..., on the right of the report name, then select **Run as**

## Running the report
There are a number of re-prompt buttons that restrict the lists of values to only relevant values. When you use a re-prompt button, you receive a message stating: **Working… Please Wait…**, then **Your report is running.** Please be patient until the prompt page is re-generated.

## Data options
A number of views are available depending on the parameters selected. The views include **basic lists**, with various **selection options** or enhanced versions, with **subtotals**, and/or **summary pages** at the end.

### Tips
Create a **Report View** to save commonly used parameters, or to schedule this report, see **report view scheduling**

## Basic Report – Lists

At a basic level the user can select to run the report by either **Award organisation(s)** or **Project Organisation(s)**, and for **Expenditure Only**, **Expenditure plus Open Commitments** or **Open Commitments Only**. If no other parameters are selected the report output is expenditure detail for all expenses for all awards or projects belonging to the Award or Project Organisation. The columns include:

- Task Number
- Expenditure Category
- Expenditure Type
- GL Date
- Transaction Date
- Expenditure Comment
- Supplier Name
- Invoice Number
- Expenditure
- plus Commitment Amount (if selected)

### Mandatory selection parameters:
- Select whether to run report by **Award** or **Project** Organisation
- Select the **School** (can be single, all or multiples)
- Select the **Award** or **Project** Organisation (can be single, all or multiples)
- Choose **Expenditure Only**, **Expenditure plus Open Commitments** or **Open Commitments Only**
- Choose **Show Subtotals on Detail Page** [Default is No]
Detailed Procedure
GM Expenditure Enquiry Report

Note: As this is a detailed report, it is advised that you use the optional selections such as Award or Project number, or Date, as the default output returns line by line details of all expenditure for all awards/projects during their lifetime.

Example of report run by Award Organisation, Expenditure only:

Grants Transactions - Expenditure Detail by Award Organisation

NB: If your department owns the Award, the report displays all projects that belong to Award, regardless of which department is running the Project.

Default options

There are a number of default options but some of these can be overridden by the user.

The default positions are:

- Excludes awards/projects that have been closed [can be overridden by the user].
- Don’t show subtotals on detail page [can be overridden by the user]
- Run report for Expenditure only [can be overridden by the user to include commitments]
- Shows Award/Project Code(s) [cannot be overridden by the user].

Show Subtotals on Detail Page

As indicated above, the default for this option is No. If you want subtotals to be included, select Yes. Then click on Select School or Select Award/Project Organisation, even if you’ve already done so.

The choice of which subtotals to include is defaulted to All if Show Subtotals set to Yes, but can be changed by the user.

Note: The choice for Select Subtotals only appears if you click the Select School or Project/Award Organisation AFTER you’ve changed the Show Subtotals to Yes.

Note:
In PDF output format, there is a page at the end giving Report Information, which lists your selections.
In Excel, it is shown as a separate worksheet.

Extra layout options

Selecting any of the Show Summary Page options results in an additional page/worksheet being added to the report output.

- Show Summary Page by Task Number, replicates the Project Enquiry report
- Show Summary page by Project and Task Number replicates RG Number Enquiry/Award Number Enquiry reports

Example of Show Summary Page by Project Code:
Filtering information to enhance the basic report

Before running the report, you should ensure that only the data you require is returned. The following are optional, but you should at least choose the Award or Project number, or a Date range. The Award/Project status is another available option.

NB: Depending on whether Award or Project organisation was selected originally, the selection will display Award No(s) or Project No(s):

1 Award/Project number

Depending on your initial selection of Award or Project Organisation, choose the relevant Award(s) or Project(s), bearing in mind this is a detailed, i.e. line by line, report.

2 Task numbers

The user can choose to exclude Task Number(s) by ticking relevant box(es).

3 Expenditure Type

If you are investigating a particular category of expenditure, you can select here. This can be run across all department awards or projects if required by leaving award/project number blank in the relevant selection field.
4 Expenditure Category/Categories

This option provides a further breakdown of the expenditure when required.

- Expenditure Category/Categories
  - Leave blank if all required.
  - COLLEGE COSTS
  - COORDINATION COSTS
  - EC FW7 PRICE ADJUSTMENT

5 Award/Project PI(s)

The user can select an individual award or project PI or multiples

- Award/Project PI(s)
  - Leave blank if all required.
  - Project organisation(s) must be selected first.

Award/Project Status

The user can exclude status types. The default is to exclude closed awards/projects. This can be unticked if required.

- Award/Project Status
  - Default is Exclude Closed.

Note: if the Award/Project status is incorrect, please email your Finance Analyst – Research and Grants. This can only be corrected by ROO staff.

Dates

You can choose the exact date or range of dates, either by the GL date or the Transaction date, but not both at the same time. The default is Earliest date to Latest date, i.e. all expenditure throughout life of Award/Project.

- Using a From date only - shows all expenditure after the date selected.
- Using a To date only - shows expenditure before the date selected
- Using a From and To date shows expenditure within the date range selected

GL codes for Grants Expenditure

In order to trace the GL codes for Grants transactions, particularly Grants Journals, check the Show CR and DR Cost Centre, Show CR and DR Source of Funds and Show CR and DR Transactions boxes in the Layout Options.
