

Grants Expenditure by Month

Grant Expenditure by Month

This can be run for a single grant or multiple grants, using the *RG/G* number and a specific date range. The report returns the total expenditure per month for each grant selected. If multiple awards are chosen, each one appears on separate page. *NB: Commitments are excluded.*

Parameters

Prompt

Provide values for the report you are about to run.

- * Indicates a required field.
- Points to missing information.

Please enter Grant numbers eg RG50326, multiples are allowed

Keywords:
Type one or more keywords separated by spaces.
