Changing the colour scheme in CUFS

CUFS allows you to change the colour scheme using Personal Profiles. This is useful for users having difficulty using the default colour scheme.

1. From the CUFS Navigator screen, select any responsibility and then select **Personal Profiles**.

UNIVERSIT CAMBRII	TYOF DGE E-Business Suite ■ Favo
Oracle Applications Home Page	
Navigator	
	Personalize
U.F.S AG AP CENTRAL ENQUIRY	U.F.S AG AP CENTRAL ENQUIRY Suppliers Employee Address Personal Profile
	Invoices Invoice Batches Invoices Invoices Invoices Invoices

- 2. On the Personal Profile screen press F11 (or select View > Query By Example > Enter from the menu) to put the screen into query mode.
- 3. Type in JAVA% into the first Profile Name cell.

ersonal Profile Values			
Profile Name	Default ∀alue	User Value	
JAVA%			

4. Now press **Ctrl + F11** (or **View > Query By Example > Run** from the menu) to run the query and pull up the values for this parameter.

Profile Name	Default Value	User Value	
Java Color Scheme	blue		

5. Now click into the **User Value** field and then press the **List of Values** button to see the available colour schemes.

purple
red
swan
teal
titanium
(Eind) QK Cancel

Select a colour scheme and press OK (blue is a high-contrast, dark blue scheme, while swan is the light-blue colour CUFS R12 originally launched with.

6. Finally, save your changes (the yellow disc icon). Your new colour scheme will take effect the next time you log into CUFS.
