

New-look Marketplace homepage from 9th May 2018

The CUFS iProcurement homepage (in the first image below) will *not* be changing, however the current Marketplace homepage (seen on the right below) which is accessed by clicking on the Marketplace link or bridge image (circled) will be changing.

CUFS iProcurement Homepage

The screenshot shows the CUFS iProcurement homepage. A red circle highlights a bridge image with the text 'University of Cambridge Marketplace' overlaid. A red arrow points from this circle to the 'CURRENT Marketplace homepage' screenshot on the right.

University of Cambridge iProcurement

Welcome, SUTTON, Mas Jancel U.F.S AG iProcurement Buyer

Financial regulations (a quotation/tender process) apply to Non-Catalogue orders from £1,000 and Marketplace from £25,000. Review the link within the Purchasing News or the Finance Division website

PO number	Date created	Supplier	Total	Last action	Status
AG32728023	26-Mar-18	Fisher Scientific Ltd	65.20		Pending External Approval
AG32728021	26-Mar-18	Fisher Scientific Ltd	40.40		Pending External Approval
AG32728018	26-Mar-18	Fisher Scientific Ltd	40.40		Pending External Approval

From 9th May 2018 the homepage will look like this.

It includes new formats in the main part of the screen for:

- Marketplace news
- Recent purchases
- Viewing/managing past marketplace orders

“Punchouts”: Access to suppliers’ websites for ordering items such as customised IT products and books will be located on the right hand side of the screen.

Oligos: The button to order Oligos via csv file upload or supplier website will be on right hand side of screen underneath the list of punchouts.

IMPORTANT Internet browser information:

The Marketplace supports the following web browsers:

- Internet Explorer 11*
- Firefox
- Chrome
- Edge
- Safari
- Opera

To successfully use the Marketplace your chosen browser must be configured to **accept cookies** and to **run JavaScript**.

* If you are using an earlier Internet Explorer please upgrade to 11 or change to another browser listed above.
