

University of Cambridge Marketplace

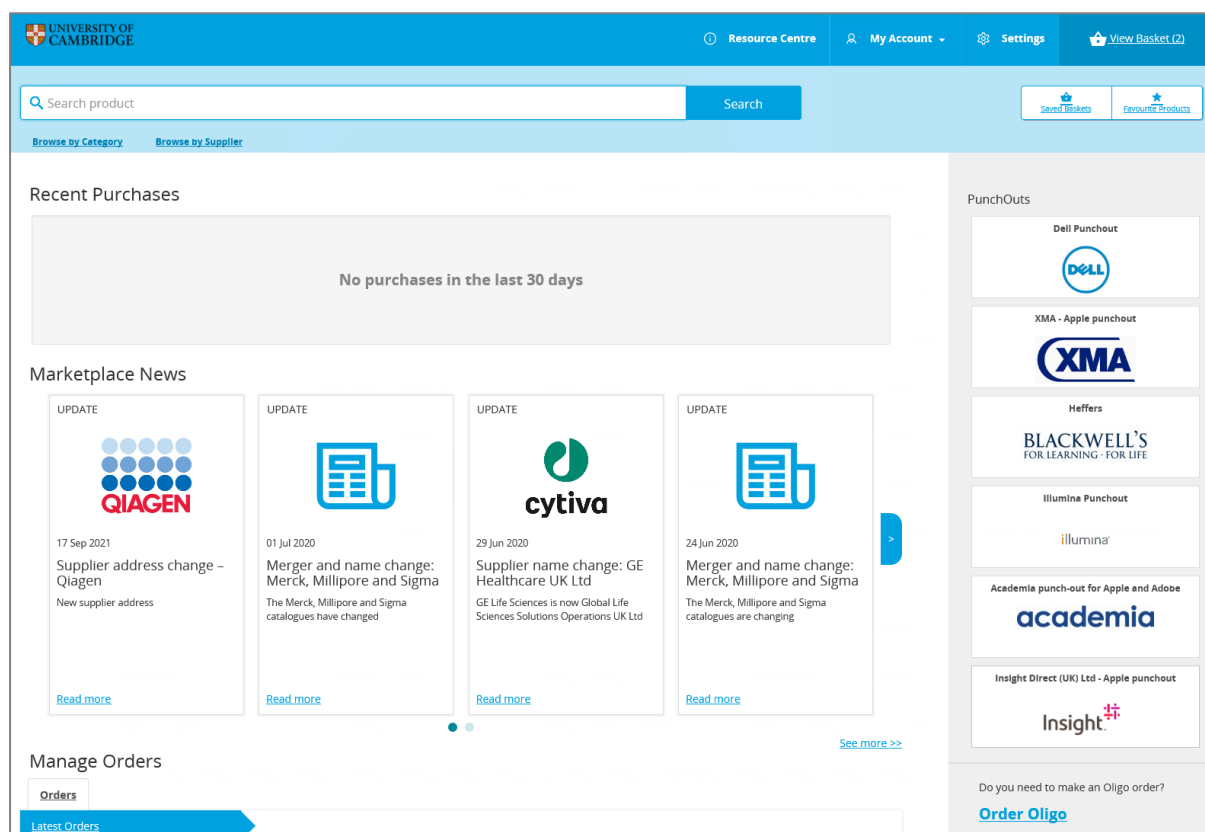

The University of Cambridge Marketplace enables you to:

- Search the suppliers listed on the Marketplace
- Add items to your basket
- Compare products and prices
- The system will indicate with a  Preferred as to whether the item is a preferred item from a preferred supplier
- View detailed product information
- Check availability of stock for some suppliers
- Create saved baskets and favourites

You **must** always search for your item in the Marketplace first. If your supplier and/or item is not on the Marketplace you can raise a requisition using Non-Catalog Requests

Navigating the Marketplace home page

1. From the iProcurement Shop page click on the **University of Cambridge Marketplace** link or the picture of the bridge. The following screen will display.

The screenshot displays the University of Cambridge Marketplace home page. The header includes the University of Cambridge logo, a search bar, and navigation links for Resource Centre, My Account, Settings, and View Basket (2). Below the header, there are links for Browse by Category and Browse by Supplier. The main content area is divided into several sections: Recent Purchases (showing no purchases in the last 30 days), Marketplace News (featuring four news items with logos for Qiagen, Merck, Cytiva, and Sigma), and Manage Orders (with a link to Latest Orders). On the right side, there is a PunchOuts section listing various suppliers like Dell, XMA, Heffers, Blackwell's, Illumina, Academia, and Insight Direct, each with a logo and a link to their respective PunchOut pages. At the bottom right, there is a link to Order Oligo.
