# Searching and Raising a Requisition via the University of Cambridge Marketplace

## Finding products on the Marketplace

**BEFORE YOU START – circumstances when you need to raise separate requisitions to the same supplier.** 

- 1. Marketplace suppliers' systems are unable to cope with the direct transmitting of Marketplace orders where there is more than one type of VAT e.g. paper at SR20% and a book at NO-UK VAT to the same supplier. Please ensure Marketplace orders to the same supplier do not have mixed VAT items. A separate requisition must be raised.
- 2. If you are ordering several items from the same Marketplace supplier you can only enter one delivery location code, you cannot have multiple delivery addresses. A separate requisition will need to be raised.
- 1. Enter your search criteria and click on the Search button.

Any requests for information on this agreement from outside of the University should be immediately referred to Procurement Services.
