Introduction

The supplier database is a resource which allows staff to search for current suppliers and for authorised users to request amendments and new additions.

From March 2018 the process for new, reactivation and amendment supplier has changed. Procurement services will review and action requests which relate to trade suppliers when an invoice is received or a purchase site is required.

Before submitting a request for a new supplier Departments must:

1) Search for preferred suppliers:  
   http://www.admin.cam.ac.uk/offices/purchasing/suppliers/

2) Search for items on the Marketplace

3) Search for alternative suppliers on database/CUFS

4) Check that the Financial Regulations have been followed for purchases – obtain quotes etc or a dispensation

5) If procuring services – an online FD3 form completed and a Tax Clearance number obtained
   https://www.finance.admin.cam.ac.uk/finance-staff/tax/fd3-employment-status-referral-form

When submitting a request ensure that:

- Key contacts enter on the online form:
  - correct details of supplier/amendment
  - Correct category codes are included for each supplier
  - Dispensation numbers are included (if appropriate)
  - Tax clearance numbers are included (if appropriate)

- Attach the following supporting evidence:
  - Evidence of trading address
  - Company registration number validation
  - Charity number validation
  - VAT number validation
Evidence of trading address

Letterhead for purchase sites or copy of the invoice received

Modern Slavery Act Policy

Anti-slavery and anti-trafficking policy – Management of Suppliers (New and Current)

Overview of the Act
Modern slavery encompasses slavery, forced and compulsory labour, and human trafficking whereby individuals are deprived of their freedom and are exploited for commercial or personal gain as enacted in the Modern Slavery Act 2015 (‘the Act’).

University Compliance
The University is committed to a zero tolerance approach to modern slavery and to acting with integrity in all its dealings, relationships, and supply chains. It expects the same high standards from all its staff, suppliers, contractors, and those with whom it does business. This policy applies to all employees, workers, consultants, and other persons doing business with the University including all its wholly owned companies, contractors, and suppliers.

The University acknowledges the risk that a supply chain may involve the use of a hidden or unknown subcontractor reliant on forced labour. Although the University as a higher education institution considers the risk of modern slavery to be low due to the nature of its supply chains, it takes its responsibilities to combat modern slavery seriously as demonstrated by its promotion and adoption of the following policy measures:

- The prevention, detection, and reporting of modern slavery in any part of its business or supply chains is the responsibility of all those working for the University or under its control.
- Appropriate due diligence processes must be carried out in relation to modern slavery which may include considering human rights in a sector or country, the type of sector in which a service provider operates, the countries from which services are provided, the nature of relationships with suppliers, and the complexity of supply chain(s).
- All supply chain lines need to be continually risk assessed and managed in relation to modern slavery and any high-risk suppliers audited.

This is the edited version of the policy as it relates to the supply chain, for the full version please reference https://www.registrarysoffice.admin.cam.ac.uk/governance-and-strategy/anti-slavery-and-anti-trafficking

To this end it is necessary for the University to demonstrate that its suppliers are compliant with the Modern Slavery Act 2015 and the University must not trade with them until this has been positively confirmed to you in writing.

Department Actions

Therefore, from 11th September 2018, all requests to Set Up / Amend / Reactivate trade suppliers on CUFS (i.e. not Employees, Students and Individuals) will require you to obtain this confirmation and attach it to your online request.

If you are working with the Finance Division (Procurement Services) and the purchase is part of a formal tender / procurement exercise then the requirements of compliance are part of
that process and no further confirmation from the supplier is required. Please attach the appropriate signed section from the contract to your online request.

In situations which have not involved Procurement Services directly or you have not used the University Contract Templates, you are advised to obtain confirmation by sending the ‘Modern Slavery Act Supplier compliance statement’ (Appendix B) to the supplier which the supplier must return, and to attach the supplier’s response to the online request along with the other relevant documentation e.g. the Companies House document and the VAT information document.

As with all purchasing activity the process should be to make the supplier fully aware of our full terms and conditions before placing any order. Our terms and conditions have been updated to include Modern Slavery Act 2015 requirements and are available on the Finance Division Website. https://www.admin.cam.ac.uk/cam-only/offices/purchasing/forms/#standard

If you are in any doubt or suspicious that slavery or human trafficking or any other potential infringements are taking place related to the Modern Slavery Act you should contact Procurement Services or use the University’s whistleblowing protocol. https://www.hr.admin.cam.ac.uk/policies-procedures/whistleblowing-policy-public-disclosure-university-employees

Reference

University Contract Templates. https://www.admin.cam.ac.uk/cam-only/offices/purchasing/forms/#standard

Whistleblowing policy which can be used to report any instances of modern slavery, which was updated in 2017 https://www.admin.cam.ac.uk/offices/hr/policy/whistleblowing.html).
Requesting access

There are two levels of access to the on-line supplier database.

Search only

This level is available automatically to employees who use CUFS and have a Raven ID and password.

The purpose of the search facility is to alert staff to existing suppliers and preferred suppliers that may already exist on the system. These should be reviewed and preferably used before a request to set up a new supplier is submitted. Guidance on how to use the search only facility is covered in a separate guide.

Access to request new supplier, amend or reactivate

This level of access is available to key contacts and allocated individuals to search, request a new supplier, amend or reactivate an existing supplier.

To access the database a Raven password is required. Once the individual who requires full access has a Raven password the Departmental Administrator must e-mail UFS_Suppliers@admin.cam.ac.uk with the individuals CRSID.

It is essential that the Departmental Administrator e-mails the helpdesk with the level of authority required on the system so that they can authenticate the CRSID onto the database to enable the correct access.

Technical guidance

- It is also recommended that the application is not left running in the background. This is because the new database and CUFS are constantly syncing with each other to ensure both systems are updated with relevant additions and amendments to supplier data.

- If you receive the error message seen below, please close and reopen your browser and try logging in again. You may need to clear your browser’s cache if the error persists.
**Logging on and searching suppliers (full access only)**

Navigate to: UFS Home Page, Suppliers then follow the link to the Supplier Database

**Search**

1. Log on with your **CRSID** and **Raven password**. Once you have logged on the following screen will display.

2. Click on the **Search** box to display the **Supplier Search** Screen.
3. If the supplier you are looking for is not a **Preferred Supplier**, please untick the box next to the Status filter. For further information on Preferred Suppliers, access the Preferred Suppliers section on the Procurement Services website - http://www.admin.cam.ac.uk/offices/purchasing/suppliers

If you know the name of the supplier you can use the **Supplier Name** search field.

**Tip:**
Use the wildcard (%) before the name to help with searching. You can search for any supplier containing the search term by inserting a % before it. Otherwise the database will only return results beginning with your search term.

4. To search using other criteria you must click on the **Actions** button to reveal a dropdown menu. Then click on **Filter**. A new window will open on top of the supplier database.

5. The Column field give you a list of different criteria you can use to search for a supplier. The Operator field allows you to refine your search (e.g. equals, is not equal to, is null, is not null).

The Expression is the search term you are going to look for within your chosen criteria.
For example, to search for a supplier with a name which contains the word “Office” we can use the following search:

Once you have completed the relevant search fields, click on **Apply** button to see whether there is a supplier that matches your search criteria.

6. A further search tool is also available, which can be found left of the **Actions** button. To use this, enter a word in connection with the supplier you are searching for, e.g. paper and when you click **Go** to view a list of suppliers which have been attributed to the entered word.

   **Note** that this search takes longer to complete as it is searching within all fields of the supplier records. To limit the fields it searches, click on the **magnifying glass** and select the appropriate field name from the drop down menu.

7. If a supplier already exists in the database that matches your search criteria a summary of the supplier will display.

8. If your supplier:
   - is on the list and **does not** show as Inactive or Deactivated no further action is required as the supplier is already set up to use.
   - is showing as **Inactive** or **Deactivated** refer to the section ‘**If a Supplier is Inactive’ or ‘Deactivated’**.
   - is not showing on the full list at all refer to the section ‘**Adding a New Supplier**’.

9. To view the full details of a supplier on the list, click on the record. The information will include current and deactivated site addresses. If supplier details need updating you have the option of clicking on **Amendment request**.
Additional Search

If you wish to search by Postcode you can use the Additional Search function.

1. From the home screen select the Additional Search button

2. A page will appear with three search fields (Name, Postcode and VAT Registration Number). Fill in the details for your search and click Go.

3. A list of suppliers matching your search criteria will display.
Amending supplier details

Company names and addresses can only be changed if you are in possession of an official document detailing the relevant change. Examples of such documents could include a letter from the company stating the change, or a copy of an invoice headed with the company’s new name or address.

The document should be forwarded to the Accounts Payable office at the Finance Division preferably by adding a scanned document as an attachment to the request online, faxing a copy or if you do not have a scanner or fax or need to send an original, via the UMS. **Note that original documents are always required for changes to bank account details.**

**Pre-Requisite:** Search for supplier, click on supplier details, Amendment request

A screen will display with the current supplier information in a column on the left and fields to enter your amendments on the right.

Check that company registration number and /or VAT number for UK companies is populated, where appropriate. Your request may take longer to be processed if this information is not provided.

1. Find the line that contains the information that you want to change and enter the amended information into the grey cell beside it. If you need to make multiple amendments you must click the save button at the top of the screen between each amendment.

   **Note:** If you require either the pay terms or pay group to be amended, please contact Accounts Payable.

2. Once you have made the amendments click on the Save button at the top of the page. A green box will confirm it has saved.
3. The system will remain on the amendments screen and your proposed amendment will be highlighted in yellow. If you have any supporting documents they can now be added at the bottom of this screen. This must now be authorised by clicking on the Authorise button.

4. The next screen will ask you to enter a reason as to why you wish to make this amendment. Enter the appropriate comments such as the supplier changing address, telephone number etc.

Include any information on what you need to purchase, the value of the purchase and whether any other suppliers have been contacted for quotes etc.

Please state whether the amendment is needed to raise an invoice or purchase order, and whether it is for a one-off transaction.

5. Click on Authorise.

6. If you have supporting documentation, you must select the supplier in the Amendment Requests table on the home screen and a link to attach a supporting document can be found at the bottom of the page.
7. If your request is for purchasing and an invoice has not yet been raised we can accept company headed documents e.g. a quote to support the request. Please use this if you require a payment site, all supplier requests must have a relevant copy invoice attached.

This information will now be sent electronically to Procurement Services for approval.
**Adding a new supplier site**

Use this facility to add a new address to the supplier's record. NB - You should not amend an existing site if it is a completely new site

**Pre-Requisite:** Search for supplier, click on supplier details, Amendment request

1. At the top of the screen click on Add Site. At the bottom of the page, the system will then generate a blank form for you to fill in with the new supplier address. You must fill in the details for your new site in the grey boxes on the right.

2. Click Save and follow the “Amending Supplier Details” instructions above.

**Site uses**

You will need to choose a site use from one of three options:

- Payment only site
- Purchasing only site
- Purchasing and payment site

Payment only sites can be used in accounts payable when making a payment however you will not be able to use them to raise a purchase order.

Purchasing only sites can be used to raise a purchase order, however a FACTOR site must be set up for use in accounts payable.

Purchasing and payment sites can be used for both raising purchase orders and making payments in account payable.

**If a supplier is shown as ‘Inactive’ or ‘Deactivated’**

**Inactive**

- Supplier has not been used during the last 18 months.
- It can be reactivated. Refer to the reference guide “Reactivating an Inactive Supplier” below.

**Deactivated**

- These are either duplicate suppliers or suppliers that have ceased trading or are in administration. No further action can be taken. The supplier name is also prefixed with (**).
Reactivating an inactive supplier

It is possible to submit a request to reactivate an inactive supplier.

1. Find the supplier that you wish to reactivate. For further information refer to the reference guide “Searching for Suppliers”.

2. Click on the supplier record of the supplier that you want to reactivate.

3. Click on the Reactivate button.

4. A new window will open, complete all of the fields on this screen. An example is shown below.

![Amendment Event Details](image)

Factors that you will need to consider are:

- The reason for reactivating the supplier.
- Do you require the reactivation for raising a purchase order or paying an invoice?
- Do you need the reactivation for a one-off or repeat purchase/payment?
- How much does your department expect to spend with this supplier?
- If your request relates to a purchase, whether any other suppliers (please list them) have been contacted for quotes etc or if not, whether a dispensation has been granted.

The information will help Procurement Services to confirm that you have followed the University’s Financial Regulations in the tendering and selection of your supplier. **Failure to provide adequate information may result in your request being rejected.**

5. Click on the Reactivate button.
6. Navigate back to your home page and the supplier should be listed in the amendment requests box with the status of new.

7. Drill down on the supplier.  

   **Note:** If needed you can add supporting documents from the bottom of the page.

8. At the top right of the screen there will be a button to allow you to **authorise** the reactivation.

9. Fill in the details

![Amendment Event Details](image)

10. Click **Authorise**

11. A button will display in the top right corner ‘reactivation – no amendments’

Note that you may be contacted by the Finance Division if there are any queries surrounding your reactivation request. Finance must be satisfied that there is a valid reason for the reactivation before the request is actioned.
If the reactivated supplier is a company, departments are expected to:

Attach evidence of compliance with the Modern Slavery Act which should be received by the department before requesting reactivation. This evidence must be either the signed page of the University Contract Template or the signed Modern Slavery Supplier Compliance Statement.

Attach **Company registration number** validation by attaching a Companies House screen print from: https://beta.companieshouse.gov.uk/

Attach **Charity registration number** validation by attaching a screen print from: https://www.gov.uk/find-charity-information

Attach **VAT number** evidence by attaching a VAT screen print from: http://ec.europa.eu/taxation_customs/vies/vieshome.do?selectedLanguage=en

The agreed SLA of 3 days for processing supplier amendment requests starts when full information has been provided and all relevant fields have been populated on the online form.

If you do not wish to amend the supplier details, at this point you can close your web browser or select another task from the bottom of the page.
Reactivations with an amendment

If you need to reactivate a supplier which will also need amending, follow the steps below:

1. Click on **reactivate** and completed the field and click **reactivate**

2. A button will display in the top right corner ‘reactivate (no amendments) in progress’

3. Navigate back to your home page and the supplier should be listed in amendment requests box with the **Latest Event** status of new

4. Drill down on the supplier and it will display the screen where you can add your amendment here along with any supporting documents

5. Save, Authorise

6. A button will display in the top right corner ‘amendment with reactivation in progress’
Adding a new supplier

If the supplier is not listed at all in your search results, you will need to request a new addition to the supplier database.

1. Click on the Add New Supplier button at the top of your search results.

2. Select the type of supplier on the next screen and click Continue. Move your cursor over the question mark icon for further information on each of the supplier types available.

---

**Supplier Type**

- **Overall Type of Supplier**
  - Individual
  - Business
  - Non Profit Making Bodies

---
3. Complete all of the fields on this screen. If you do not enter any information in a required field, the system will advise you and you will need to go back and correct this. Type in capitals.

Only select a request as urgent if this is genuinely the case. This will allow Procurement Services to prioritise requests.

Site Uses
Site Uses will affect what the supplier can be used for. For more details look at the adding a new site section of the manual.

Modern Slavery Act
It is vital that this field is completed correctly following the mandatory University compliance policy. Please read the information on page 7.

In order to say yes to this question you must have received confirmation of Modern Slavery Supplier compliance from the supplier. This will be either the signed page of the University Contract Template, if used or the Modern Slavery Supplier Compliance Statement (Appendix B). The supporting documentation should be attached in the next step.

These fields will help Procurement Services to confirm that you have followed the University’s Financial Regulations in the tendering and selection of your supplier. Relevant information includes full details on what you need to purchase, the value of the purchase and whether any other suppliers (list them) have been contacted for quotes etc. or if not, whether a dispensation has been granted. **NB Failure to provide adequate information may result in your request being delayed or rejected.**
4. Check that the company registration number and the VAT number has been entered where appropriate. Click **Save**.

5. The system will not only cross reference the supplier name at this point, but also other fields such as the address and VAT number. If possible matches are found, they will be displayed in a new window. If you recognise any of these to be your supplier, abandon the process at this stage by closing your web browser.

6. The request will now be generated and a screen will show summarising the information that you entered on the previous page. A green message will appear in the top right corner of the screen confirming the action has processed and an emailed confirmation has been sent.

The system will not only cross reference the supplier name at this point, but also other fields such as the address and VAT number. If possible matches are found, they will be displayed on the above screen. If you recognise any of these to be your supplier, abandon the process at this stage by closing your web browser.

If you have supporting documentation, such as quotations obtained or dispensation granted, you can attach it by clicking on the “Add supporting document” button at the bottom of the page.

**If the new supplier is a company, departments are expected to:**

Attach evidence of compliance with the Modern Slavery Act which should be received by the department before requesting setup. This evidence must be either the signed page of the **University Contract Template** or the signed **Modern Slavery Supplier Compliance Statement**.

Attach **Company registration number** validation by attaching a Companies House screen print from: [https://beta.companieshouse.gov.uk/](https://beta.companieshouse.gov.uk/)

Attach **Charity registration number** validation by attaching a screen print from: [https://www.gov.uk/find-charity-information](https://www.gov.uk/find-charity-information)

7. Select **Back to list** to return to the search screen.

Your request will now be sent electronically to the appropriate office at the Finance Division, who will make the necessary checks on the supplier. Once these checks have been made, one of two things will happen:

- The request will be approved and the supplier will be added into CUFS.
- The request will be rejected. If this happens, you will receive an email detailing the reason for this and if applicable it will also ask you for further information and you will need to resubmit your request.

Information will also be sent to the Tax office if you are creating an individual. It is possible to view the status of your requests for new suppliers and amendments. The next section looks at this process.

The agreed SLA of 3 days for processing new supplier requests starts when full information has been provided and all the relevant fields have been populated on the online form.

If your request has been put **on hold** pending addition information from you, the SLA will not start until all necessary information has been received.
Adding a new supplier that is providing services

From the 6 April 2017 the rules surrounding suppliers providing services has changed. Please see the finance division web page ([http://www.finance.admin.cam.ac.uk/staff-and-departmental-services/tax-team/off-payroll-workers](http://www.finance.admin.cam.ac.uk/staff-and-departmental-services/tax-team/off-payroll-workers)) for further details.

When setting the supplier up follow the instructions as before until you reach the field ‘Is the supplier providing a service to the university?’ When you select ‘Yes’ a new field will appear for you to enter the Tax Section Clearance Number. In order to obtain a Tax Section Clearance Number you must submit an FD3 form to the Tax Team.

The rest of the fields will be filled in as usual.
Viewing the statuses of supplier requests and re-submitting

After logging on using your Raven ID and password, the Welcome screen displays.

Your recent **New Supplier Requests** are displayed in a table on the left and **Amendment Requests** in a table on the right.

To view a full list of your New Supplier Requests select the **Manage Own New Suppliers** from the menu in the top-left corner of the page.

For a full list of amendment requests select **Manage Own Amendments**.
Re-submitting a rejected request

In the below example, the request to add Cambridge Training Company plc to the database has been rejected. This is detailed in the Status column.

Rejected requests require you to either correct a mistake or provide further information.

Follow these steps to do this:

1. Click on the supplier name to view the request details.

   The note states that the VAT number is incorrect, therefore it must be changed and the request must be re-submitted.

2. Scroll down the page to find the field that you need to change. Additional documentation can also be attached if relevant.

3. Amend the information and click **Save**.

4. Click **Authorise** and enter a comment to reflect what you have changed. In this example, a suitable comment would be “VAT number now corrected”.
5. Click **Authorise** to finish the process.
**Timescales for requesting a new supplier, amendment or reactivation**

The time taken to load a new supplier on the database will vary depending on the supplier and the relevant checks that need to be made. If there is a delay, Procurement Services will advise the requestor via e-mail.

The supplier database is now updated straight away when changes are made to CUFS. In the event that the database has not updated with recent changes, a note will be made on the record showing that the record is out of sync with CUFS. If this happens you will be able to click a button on the screen to populate the database with the updated information.

The same checks are also carried out on suppliers relating to amendments or reactivation requests and include:

- Verifying the correct addresses are being used
- A credit check to show that the supplier is still trading without any issues
- Checking that the VAT and Company registration no are correct

Note that the supplier information will only be available in CUFS once the information has been authorised by:

- **Procurement Services** for suppliers
- **Tax Office** for individuals
- **Accounts Payable** for employees
Appendix A: Supplier naming conventions

Suppliers setup within UFS will use the format as indicated on the supplier’s formal documentation. In conjunction with this approach, the following protocols will be adopted for suppliers:

The use of UPPER CASE is mandatory. This approach ensures that a more reliable result is returned when using any of the system’s search functionality.

- **Initials** – these should be entered in capitals e.g. R SMITH
- **Common abbreviations**:

<table>
<thead>
<tr>
<th>Abbreviation</th>
<th>Full Form</th>
</tr>
</thead>
<tbody>
<tr>
<td>ASSOC</td>
<td>ASSOCIATION</td>
</tr>
<tr>
<td>CO</td>
<td>COMPANY</td>
</tr>
<tr>
<td>CORP</td>
<td>CORPORATION</td>
</tr>
<tr>
<td>DEPT</td>
<td>DEPARTMENT</td>
</tr>
<tr>
<td>INC</td>
<td>INCORPORATED</td>
</tr>
<tr>
<td>LTD</td>
<td>LIMITED</td>
</tr>
<tr>
<td>PLC</td>
<td>PUBLIC LIMITED COMPANY</td>
</tr>
</tbody>
</table>

- **Punctuation marks** (wherever possible, please use the following):
  & for AND
  () e.g. (UK)

- The following Punctuation marks **SHOULD NOT** be used:
  . Full Stop
  / Back Slash
  “ Speech Marks
  : Colon
  ; Semi Colon

- **Customer contact names**

  For customer related correspondence, the default salutation is *Dear Sir/Madam*. This default is overridden by any contact name shown against the customer. Standard functionality the first name followed by the surname of the contact. Contact name details should be entered onto the system using the exact format one would expect to appear in the salutation e.g. *Debra Turner*, using the correct case as indicated.
• **Individual naming**
  The conventions for individuals should be the same as suppliers. In addition, the following protocols should be applied.

  **Salutations:**

  PROF, DR, MR, MS, MISS (or any other Title) **may be used.**

  Enter last name, (,) title, full first name and initials, e.g.: SMITH, MR ROBERT M

  The use of the comma after the last name will enable the output documentation to reformat the name so that the title and forenames appear before the surname e.g. MR ROBERT M SMITH.

  The suffix will be determined as follows:

  • **Employees** – every employee entered into UFS as a supplier will have a unique code against their name consisting of a payroll identifier, and their URN.

  • **Student** – every student set-up as a supplier will have a unique code shown against their name.

  • **Other** – specific suffix codes will be determined based upon departmental requirements (e.g. The Isaac Newton Institute will provide their MEM code to identify their delegates).
Appendix B: Modern Slavery Supplier Compliance Statement – to be sent to suppliers

A. Explanatory information

Modern slavery encompasses slavery, forced and compulsory labour, and human trafficking whereby individuals are deprived of their freedom and are exploited for commercial or personal gain. The Modern Slavery Act 2015 sets out the relevant criminal offences applicable to everyone. It also requires that, if you are an organisation with an annual turnover of over £36 million, you publish a ‘slavery and human trafficking statement’.

The University is committed to a zero tolerance approach to modern slavery and to acting with integrity in all its dealings, relationships, and supply chains. It expects the same high standards from all its staff, suppliers, contractors, and those with whom it does business. The University’s Modern Slavery policy applies to all employees, workers, consultants, and other persons doing business with the University including all its wholly owned companies, contractors, and suppliers and can be found at https://www.registryoffice.admin.cam.ac.uk/governance-and-strategy/anti-slavery-and-anti-trafficking

Before confirming any new suppliers requests or agreeing further business with a supplier, the University requires prior written confirmation from you that you are compliant with the Modern Slavery Act 2015 and with all applicable anti-slavery and human trafficking laws, statutes, regulations from time to time in force whether in the UK or outside the UK if applicable (unless you have a written agreement containing the appropriate clauses). This can be provided by signing the Statement below and returning it to the University Departmental contact.

B. Statement

You confirm that neither you, your employees, workers or organisation have been convicted of any offence involving slavery and human trafficking nor have been the subject of any investigation or enforcement proceedings regarding any such offence or alleged offence. If you use sub-contractors you agree to use your best endeavours to obtain the same confirmation from them and to ensure that your supply chains are slavery and human trafficking free. You will inform the University immediately if you become aware of any actual or suspected slavery or trafficking connected to your organisation.

You agree that the University may terminate this agreement being made with you including any purchasing order or request or activation request with immediate effect if you are in breach of this statement or if you fail to notify us of any connection to modern slavery or are subject to an investigation, enforcement proceedings or are convicted of any relevant offence.
